

Fish Creek School

READ-A-THON

Dear FCS Families,

From April 1st to April 24th students at Fish Creek School will be competing to see who can read the most minutes and who can earn the most donations from their reading pledges. Each student will set a personal reading goal for how many minutes they can read daily or in total. This goal should go beyond their current reading habits. Students can read alone, read to someone, have someone read to them...read however they choose! Just read!

Students are invited to seek pledges from family and friends to help motivate them to read more and to raise funds for FCS. Donations are encouraged but are NOT mandatory for students to participate in the Read-a-Thon. Prizes will be awarded for both total donations and total reading minutes. Every student who participates will also be entered into a random draw for additional prizes!

Why is this Read-a-Thon Important?

The Read-a-Thon encourages students to improve their reading skills and raise money to support Fish Creek School. 100% of the funds collected will be used by The Fish Creek Parent Association to support student learning. The FCS Parent Association uses funds to pay for music and gym equipment, learning resources, technology for students, school residencies, supporting field trips with busing and overall cost to parents, etc.

Prizes have generously been donated by the following:
