

Planning Meeting Evaluation – Summary Report

This report summarizes feedback collected through a post-meeting survey. All identifying information has been removed to protect respondent anonymity.

Total responses: 12

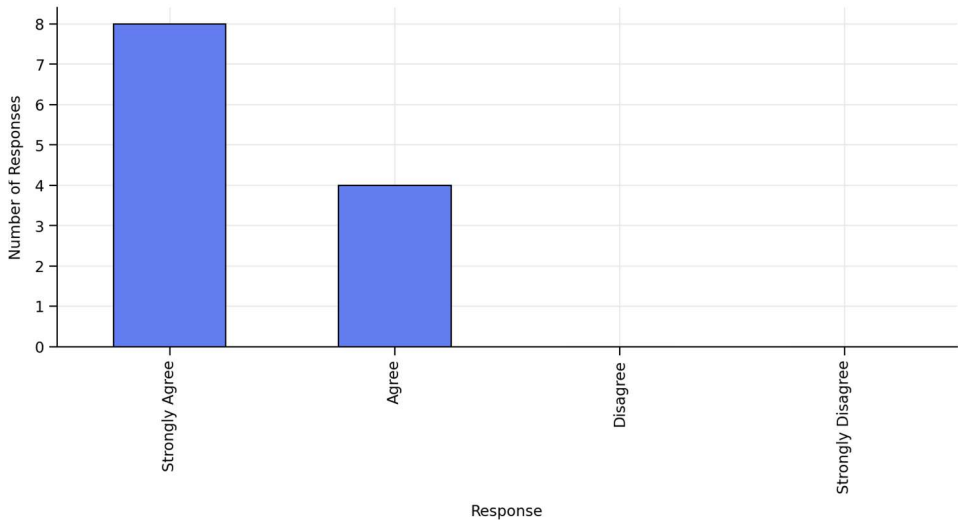

This meeting provided me with useful information.

This meeting provided me with useful information.

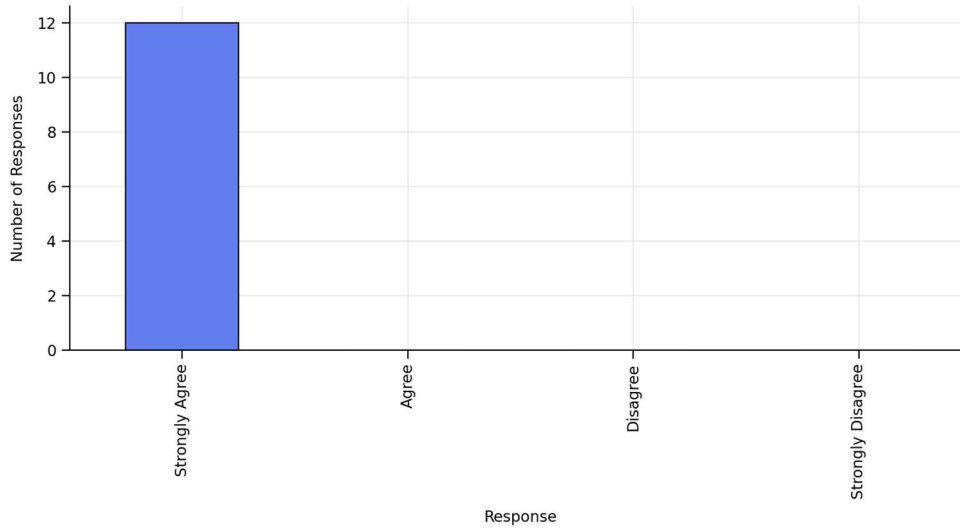

I understand the planning work schools do to improve and support student learning.

I understand the planning work schools do to improve and support student learning.

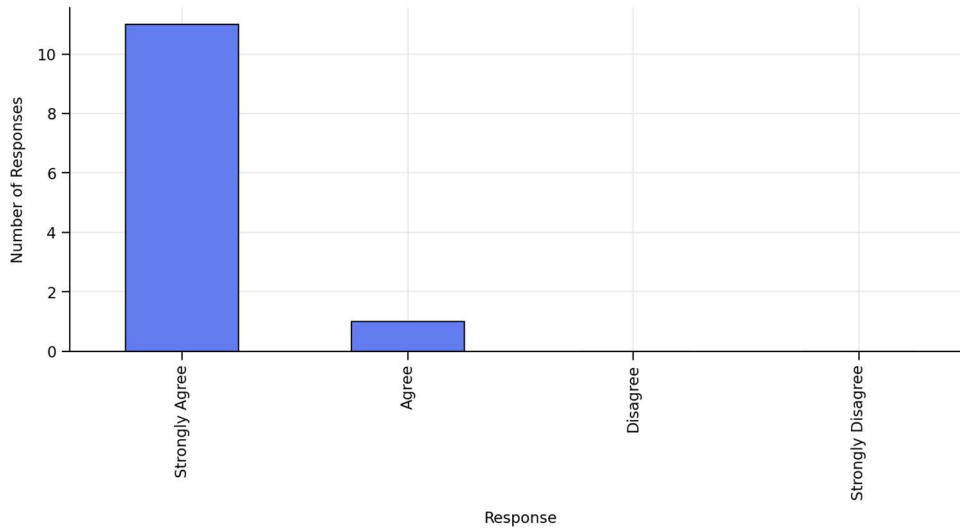

I was encouraged to share my thoughts and feedback during this meeting.

I was encouraged to share my thoughts and feedback during this meeting.

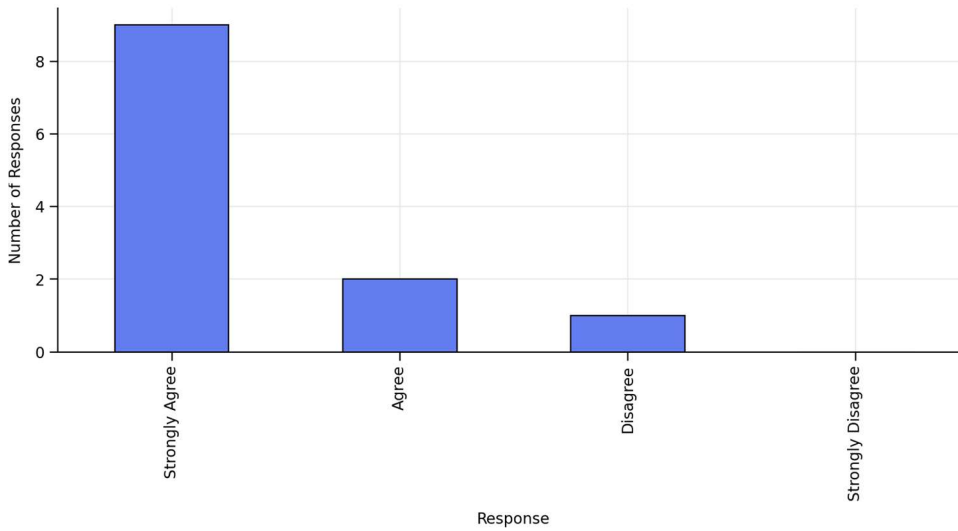

The presenters were easy to understand.

The presenters were easy to understand.

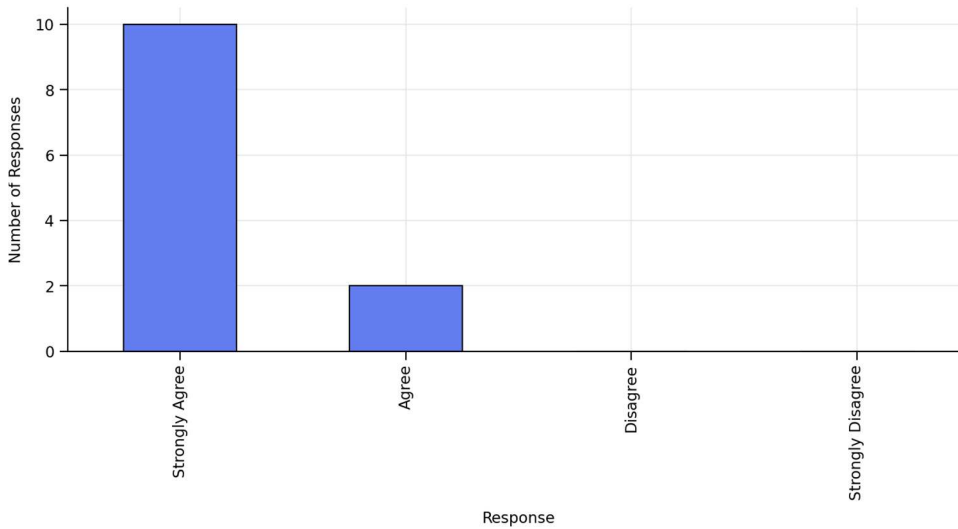

The on-screen (visual) content was clear and easy to read.

The on-screen (visual) content was clear and easy to read.

I had enough time to read the on-screen (visual) content that was presented.

I had enough time to read the on-screen (visual) content that was presented.

What did you like most about this meeting?

- I liked knowing how much money the school gets and how much goes to each category.
- How willing you were to hear our feedback
- The discussion that followed the presentation
- Clear financial data provided.
- Informative. Presenter was great.
- Hearing feedback from other parents.

- That we were given an opportunity to have an open discussion about things regarding the budget and planning

- Tim is great! Thanks for an excellent presentation!

- The opportunity to learn about the development plan and to provide feedback.

What did you like least about this meeting?

- Waiting for technology to work.

- Too many off topic comments from parents.

- Little long. But not bad.

- Mandatory video. Lack of funding

- I have a hard time watching the images draw on the screen. I find it distracting and I can't watch the screen while they draw.

Other comments

- Appreciate the opportunity.

- Thanks
